Cooking Patrol

1. Wash hands.
2. Wear bandanas.
3. Check the menu and pull out ingredients, supplies and equipment.
4. Light stove, with an adult.
5. Prepare the meal.
6. Turn off the stove.
7. Clean up the cooking area of spills, scrape pots and put away supplies.
8. Cooks clean all pots after dinner, once all mess kits have been washed.

Clean up Patrol

1. Set up three washing bins.
2. Get water for bins from the water area
3. Put water on the stove to heat, before you eat.
4. (#1) hot soapy water- ½ stove water & small amount of soap.
5. (#2) bleach rinse - three drops of bleach in water.
6. (#3) hot rinse - use 1 pot from the stove with plain water.
7. Make sure all pots, bowls, etc. have been scraped clean with paper towels before entering the wash bin.
8. Have all girls & adults wipe dishes and go through the dunk line.
9. Everyone - wash bowls, etc. (cooks clean their pots)

After all girls have done their dishes and cooks have cleaned their pots you strain washing pans water with netting into hand washing bucket then take into the “grey water” disposal area. Take all trash to the facility's big trash can/dumpster.
